I.S.H.M. MEETINGS

The International Society for Hybrid Micro-electronics is based in the U.S.A. and there are independent parallel organisations throughout the world. All these societies run a programme of meetings throughout the year on subjects concerned with Thick Films and interested readers are advised to contact the following Chairmen for details of meetings in their own area.

- 1 U.S.A. — Dr. D. C. Sutherland,
I.S.H.M.,
Suite 102,
1410 Higgins Road,
Park Ridge,
Illinois 60068,
U.S.A.
- 2 U.K. — Dr. P. G. Barnwell,
38 Garrick Road,
Worthing, Sussex.

- 3 France — Dr. A. B. Dreyfus,
President de I.F.M.H.
114 Rue d'Amiette,
91 Gifsor Yvette,
France.
- 4 Germany — Dr. F. Vogler,
Chairman, I.S.H.M. Deutschland,
8000 Munchen 40,
Elisabethstrasse 81,
Germany.
- 5 Nordic — Dr. H. Danielsson,
Chairman I.S.H.M. Nordic,
Klostergarten 9A,
58265 Linkoping,
Sweden.

There is also a Far East Society.

The next meeting of the U.K. group will be held all day, on 28th January, 1975 on "Recent Developments in Thick Film Pastes" and will be at the Washington Hotel, Curzon Street, London, W.1. commencing at 10.00 a.m. Further details from the U.K. Chairman.
