

Conference News

Items for inclusion in this section should state the title, date and sponsors of the meeting and also the name and address to which enquiries should be directed. Announcements for publication should be forwarded either to Prof. D. S. Campbell or Dr. C. A. Neugebauer.

THE 16th CONFERENCE ON ELECTRONIC MATERIALS
September 9th–11th, 1974, in Boston

All enquiries to:

Dr. Robert A. Burmeister, Jr.,
Hewlett-Packard Laboratories,
1501 Page Mill Road,
Palo Alto, Ca., 94304, U.S.A.

THE 21st NATIONAL VACUUM SYMPOSIUM
October 8th–11th, 1974, Anaheim, California.

Sessions will be held on surface science, thin films, vacuum metallurgy and vacuum science and technology. The abstract deadline for the technical sessions was 14th June, 1974 and further information can be obtained from:

L. C. Beavis,
Scandia Labs. Division 2413,
Albuquerque,
N.M. 87115, U.S.A.

1974 CONFERENCE ON DISPLAY DEVICES AND SYSTEMS

This will be held October 9th–10th, 1974 in New York City. The programme will cover all the disciplines relevant to research, development and design of electronic display devices and systems. The deadline for abstracts was June 24th, 1974 but a few post-deadline papers for 10 minute presentation, reflecting important new projects, will be considered if 100 word abstracts and one or two page summaries are received by September 16th, 1974. All enquiries to:

Thomas Henion,
Palisades Institute,
201 Varick Street,
New York. NY 10014, U.S.A.

INTERNATIONAL MICROELECTRONICS SYMPOSIUM
October 21st–23rd, 1974 in Boston

All enquiries to:

The International Society for
Hybrid Microelectronics,
1410 Higgins Road,
Park Ridge, Illinois 60068, U.S.A.

CONFERENCE ON ELECTRICAL INSULATION AND DIELECTRIC PHENOMENA
October 21st–23rd, 1974 at Downingtown, Pennsylvania

Special sessions are planned on chemical effects in electrically stressed dielectrics, dielectric aspects of new sources of electric power, experimental techniques and transport phenomena in amorphous materials. Copies of the programme will be available at the beginning of September, 1974 and all correspondence should be addressed to:

Mrs. Marian F. Miller,
Conference on Electrical Insulation and
Dielectric Phenomena,
National Academy of Sciences,
2101 Constitution Avenue, N.W.
Washington, D.C. 20418, U.S.A.

7th ANNUAL CONNECTOR SYMPOSIUM
October 23rd–24th, 1974

The I.E.E.E.,
345 E. 47th Street,
New York 10017, U.S.A.

I.E.E.E. INTERNATIONAL ELECTRON DEVICES MEETING

December 9th–11th, 1974

This will be held in Washington, D.C. Specific areas to be covered will include devices technology, integrated electronics, solid state devices, image transducers and opto-electronic devices, lasers and quantum electron devices and electronic tubes.

The deadline for abstracts is August 12th, 1974 and prospective authors should submit a comprehensive abstract approximately 200 words in length. All communications should go to:

Dr. William C. Holton,
1974 I.E.D.M. Technical Program Chairman,
Texas Instruments Inc.,
M/S 145,
P.O.B. 5936,
Dallas, Texas 75222, U.S.A.

1975 ANNUAL RELIABILITY AND MAINTAINABILITY SYMPOSIUM

January 28th–30th, 1975

This will be held at the Sheraton Park Hotel, Washington D.C. All enquiries to:

The I.E.E.E.,
345 E. 47th Street,
New York 10017, U.S.A.

3rd INTERNATIONAL CONFERENCE ON THIN FILMS

A preliminary announcement is given of this meeting which will be held 25th–29th August, 1975, in Budapest. The deadline for abstracts is December 1st, 1974 and the contact is:

Dr. P. B. Barna,
Secretary,
3rd International Conference on Thin Films,
Research Institute for Technical Physics,
Hungarian Academy of Sciences,
1325 Budapest, Ujpest 1, P.F. 76,
Hungary.

CONFERENCE ON HYBRID MICROELECTRONICS

This is a preliminary announcement of an I.E.R.E. Conference to be held in collaboration with I.S.H.M. (U.K.). The date will be September 1975 and the venue is to be decided. Further details will be circulated shortly. All enquiries and offers of papers to:

The Conference Secretary,
I.E.R.E.,
