1977 ANNUAL RELIABILITY AND MAINTAINABILITY SYMPOSIUM

This Symposium will be held at the Marriott Hotel,
Philadelphia, Pa., from 18–20 January, 1977.
For further information please contact:

Kurt Greene
Program Chairman
OASA (I & L) DMSSO
Cameron Station – Dwyer Building
Alexandria, VA 22314

SYMPOSIUM ON DESIGN ENGINEERING PROBLEMS IN ELECTRONICS

This Symposium will take place at the Munich
International Electronic Centre from 14–17 March
1977.

For further details please contact:

Herr H. J. Prieur
Internationales Elektronik Zentrum
D–8000 MÜNCHEN 12
Postfach 12 10 09
Theresienhöhe 13
Germany.

SECOND INTERNATIONAL CONFERENCE ON METALLURGICAL COATINGS

This Conference will be held in San Francisco from
the 28 March–1 April, 1977.

The conference is sponsored by the American
Society and papers are requested on various aspects
of fabrication, structure/property relationships and
applications of films and coatings for metallurgical,
engineering, nuclear, electronic, energy conversion
and electronic devices. Abstracts should have been
forwarded by the middle of November and
manuscripts of 3000 words are required by the
beginning of the conference.

Anyone interested in participating should contact
the Conference Chairman as soon as possible.

Dr R. F. Bunshah
6532 Boelter Hall
University of California
LOS ANGELES California 90024
U.S.A.

THE FIRST EUROPEAN CONFERENCE ON HYBRID MICROELECTRONICS

The first of these conferences is being organised by
I.S.H.M./Deutschland, in collaboration with the
I.S.H.M. groups of Benelux, France, Italy, Nordic
and U.K.

The conference will take place at Bad Homburg
near Frankfurt, West Germany on 2–4 May, 1977.

Offers of suitable papers in any of the relevant
fields of Hybrid Microelectronics, including materials
and applications, should have been forwarded to the
local European group chairmen by the beginning of
November, 1976. (For addresses of the Chairmen, see
Announcements page.) Late submissions should be
sent direct to:

Herr W. Funk
Philips Forschungslaboratorium GmbH
2 HAMBURG 54
Postfach 540840
GERMANY

For further general information on the conference
please contact the editor of this journal, Professor
D. S. Campbell.

SYMPOSIUM ON ALUMINIUM IN THE ELECTRICAL AND ELECTRONIC INDUSTRIES

May, 1977. The Electrochemistry Society is planning
this Symposium at the time of the Electrochemical
meeting in Philadelphia. A major subject of this
symposium will be aluminium electrolytic capacitors,

including new developments, properties and fundamentals.

Anyone with papers to contribute or desiring further information, please contact:

Dr R. Alwitt
United Chemi-Con Inc.
Research & Development Laboratory
380 Union Street
West Springfield
Mass. 01089
U.S.A.

4th SYMPOSIUM ON RELIABILITY IN ELECTRONICS

October, 1977. Budapest, Hungary.

This Symposium will be organised by the Scientific Society for Telecommunications. The working languages of the Symposium will be English and Russian and the first announcement is now being issued.

Interested parties should contact:

Professor G. Almassy
Secretary-General of Scientific Society for
Telecommunications
1372 BUDAPEST
Kossuth L ter 6-8
Pf. 451
HUNGARY

SYMPOSIUM ON FAILURE MECHANISMS IN DIELECTRIC MATERIALS

This Symposium will be held in conjunction with the 152nd meeting of the Electrochemical Society, at the Hyatt Regency, Atlanta, Georgia from October 10-14, 1977.

It is hoped to make this a truly international meeting and 75 word abstracts of papers for

submission should be forwarded to the organiser:

Professor D. S. Campbell
c/o Electrochemical Society Inc.
P. O. Box 2071
Princeton
NJ 08540
U.S.A.

by 1 May, 1977, with an extended abstract of between 500-1000 words, to be published in the extended abstracts volume of the meeting, by 1 June, 1977.

1977 INTERNATIONAL MICROELECTRONICS SYMPOSIUM

“Hybrid Microelectronics and Maturing Technology”

This symposium will be held 24-26 October, 1977 at Baltimore, Maryland. 250 word summaries are requested by March 1, 1977.

All enquiries to:

Dr S. J. Stein
I.S.H.M.
P.O. Box 3255
MONTGOMERY
Alabama. 36109
U.S.A.

PRELIMINARY ANNOUNCEMENT

The 4th International Conference on Physics and Applications of Thin Films will be held in the U.K. on 11-15 September, 1978 at Loughborough University of Technology.

For further information please contact:
